Proctored Exams – Instructions to the Student

Every student at University of the People (“UoPeople”) must take proctored exams (an exam under the supervision of a proctor) prior to graduation. Students that are taking a course that has a proctored exam must take a proctored exam. A student cannot graduate unless all required proctored exams are successfully completed.

You may choose either an 'offline' proctor free of charge or an online proctoring service where you may take your exams online at home, using a webcam and a reliable high-speed internet connection. If you intend on using the online proctoring services, you will need to sign up at the ProctorU website and create an account here: https://www.proctoru.com/portal/uopeople

All procedures and instructions regarding proctored exams (“The Proctor Process”) are listed herein. Students are strongly encouraged to carefully read and follow the Proctor Process in order to avoid any misunderstandings.

The Proctor Process – Summary

1. Students who have chosen to use an offline proctor are required to choose a proctor who meets all of The UoPeople proctor requirements.
2. Students must coordinate with their proctor the date, time and location of the proctored exam. If you intend to use online proctoring services (ProctorU), you must create an account in ProctorU. Scheduling the exam with ProctorU can be done in the beginning of the term, where you will be able to view the exams in the ProctorU website.
3. The proctored exam will take place during the final exam period outlined in the University Academic calendar.
4. Prior to starting the proctored exam, students must present to the proctor a government issued ID, which will be used to identify the student.
5. Once and only if the student is identified, the proctor will be required to enter a code into the Virtual Learning Environment in order to access the exam. The code will be provided to the proctor by Student Services prior to the beginning of the exam.

UoPeople will send the proctor a reminder a week before the exam.
8. It is the student’s sole responsibility to coordinate with his/her proctors the date, time and location in which the proctored exam will take place. A student will not be allowed to start a proctored exam without the presence of the proctor.

9. The final exam period starts on Thursday, week 9 of the term at 00:05 and ends the following Sunday at 23:55 UoPeople time (GMT-5 time zone). The proctored exam must be taken within this time period.

10. It is the student’s sole responsibility to have all necessary means required for taking the proctored exam (e.g. a computer with internet access).

15. It is the student's sole responsibility to make sure that his/her personal details, as appearing on the Official ID, are identical to the personal details that he/she provided UoPeople. If one, or more, of the personal details required for identification is not identical the student will be considered as unidentified, he/she will not be allowed to take the exam, will be given the letter grade "NF", regardless of the student’s performance in the course so far.

16. In case the proctor was not able to identify the student, he/she will not enter the code and the student will not be able to take the exam. It is at the proctor’s sole discretion to determine whether or not the student was identified and can be based on the following reasons:
   16.1. A personal detail – one, or more, of the student's personal details, as presented in the Official ID, is not identical to the student's personal details that were provided by UoPeople.
   16.2. Photo – the proctor has a reasonable reason to believe that the person standing in front of him/her is not the same person whose photo is on the Official ID.
