### Policy Statement

The University of the People recognizes and accepts its obligations under the Americans with Disabilities Act of 1990 (as amended), and Section 504 of the Rehabilitation Act of 1973, as amended, requiring the University to provide reasonable accommodations to qualified disabled students in all University programs and activities. Students with a disability requiring reasonable academic adjustments should contact the Dean of Student Affairs at [student.affairs@uopeople.edu](mailto:student.affairs@uopeople.edu) to request a Disability Accommodation application.

Completed applications should be returned to the Office of Student Services at [student.services@uopeople.edu](mailto:student.services@uopeople.edu), and students will receive written notification of accommodations offered and/or denied within eight weeks.

UoPeople is committed to maintaining the confidentiality of all student records related to requests for disability accommodations.
