Student Status & Definitions:

In this Enrollment Agreement (this "Agreement"), "Degree Program" refers to the program of study elected by a Degree Student. Admission to the UoPeople Foundations courses is not admission to a Degree Program; in order to commence studying towards a Degree Program, a student must first be accepted as a Degree Student following completion of the applicable prerequisites described below.

Completion of the Admissions requirements as they appear in the University Catalog, including but not limited to:

1. Completion of the relevant Foundations courses; and
2. Satisfaction of the CGPA Requirement.

Students accepted to UoPeople Foundations are required to complete the UoPeople Foundations courses as a prerequisite for commencing a Degree Program.

This Agreement shall constitute an agreement to enroll as a degree-seeking student at UoPeople, if and only when the above requirements have been met.

Credit earned in the UoPeople Foundations courses will be counted toward the Degree Program requirements, if and only when the above requirements have been met.

A student who successfully completes the UoPeople Foundations courses and meets all other admission requirements to begin studying as a Degree Student will be accepted to the Degree Program. Under such circumstances, the requirements of this Agreement will continue to apply. A student who does not successfully complete the UoPeople Foundations courses, as determined by the University in addition to the requirements set forth above, will not be admitted to the University as a Degree Student; the student's enrollment and this Agreement will terminate.

For purposes of this Agreement, the term "Student" shall include students studying in any course at the University. Unless otherwise indicated, all the requirements and obligations that apply to a Student shall apply to a student taking the UoPeople Foundations courses and a Degree Student.

The period covered by this Agreement shall be as follows: A maximum of 5 years for any Associate's program, starting from the date on which the Enrollment Agreement is signed, 10 years for any Bachelor's program starting from the date on which the Enrollment Agreement is signed, and 5 years for any Graduate program starting from the date on which the Enrollment Agreement is signed.

Course Assessment Fees

Course Assessment fees must be received two (2) days prior to the beginning of the term to be eligible to study.

Students are encouraged to plan, anticipate and budget for all Course Assessment Fee payments to avoid interruption of their academic schedule.

The University reserves the right to change the cost of the Application Fee and the Course Assessment Fees. The amount of the Course Assessment Fees will be reviewed annually, and any change to the fee amount will be effective as of September 1 for each academic year. Students will be notified of any change in fees no later than June 1 prior to the start of each academic year.

A student must successfully complete their required prerequisite courses as determined by the University in order to be accepted to the Degree Program. This includes but is not limited to all required Foundations courses. Additionally, students must meet the CGPA requirement. This Agreement shall only take effect if and only when students have completed the required Foundations courses and have met the CGPA requirement.
